

About the Indiana Authors Award:

In 2018, the Library Foundation will present the tenth annual Eugene & Marilyn Glick Indiana Authors Award. Each year, this Award recognizes the literary contributions of four authors with strong ties to Indiana. The Award is presented to one author who is well-known nationally, one author who is well-known regionally, one emerging author and an author of excellence in a specific genre. Each winner receives a cash prize, as well as a \$2,500 grant to support his or her hometown Indiana public library.

On Saturday, October 13, 2018, the Library Foundation invites book lovers of all ages to attend Meet an Author, Be an Author, a full day of festivities at our downtown Central Library. Meet an Author, Be an Author is free and open to the public and will include author lectures, workshops for aspiring writers and book-lovers and book sales and signings. That evening, Central Library will be transformed into an elegant stage for a ticketed Award Dinner celebrating Indiana authors and the year's winners.

Sponsorship Opportunities:

Enhance your company's community visibility through a sponsorship of the Indiana Authors Award Dinner and public programs.

- Based on the level of your sponsorship, you will receive an assortment of recognition opportunities, as well as tickets to the Award Dinner.
- Invite clients, employees and the readers in your life to attend the Award Dinner as we celebrate our state's rich literary tradition and promote a love of writing and reading across Indiana.
- Best of all, because of a generous grant from The Glick Fund, a fund of Central Indiana Community Foundation, 100 percent of the proceeds from the Award Dinner will benefit programs of The Indianapolis Public Library and Library Foundation, ensuring that your sponsorship dollar makes an even greater impact.

Central Library provides the beautiful backdrop for this annual event. In 2017, the Library Foundation hosted 335 guests at the Indiana Authors Award Dinner honoring the winning authors and finalists.
